WEIGHT LOSS INJECTION MENU

The Basic *Lipotropic*

Single Dose \$18

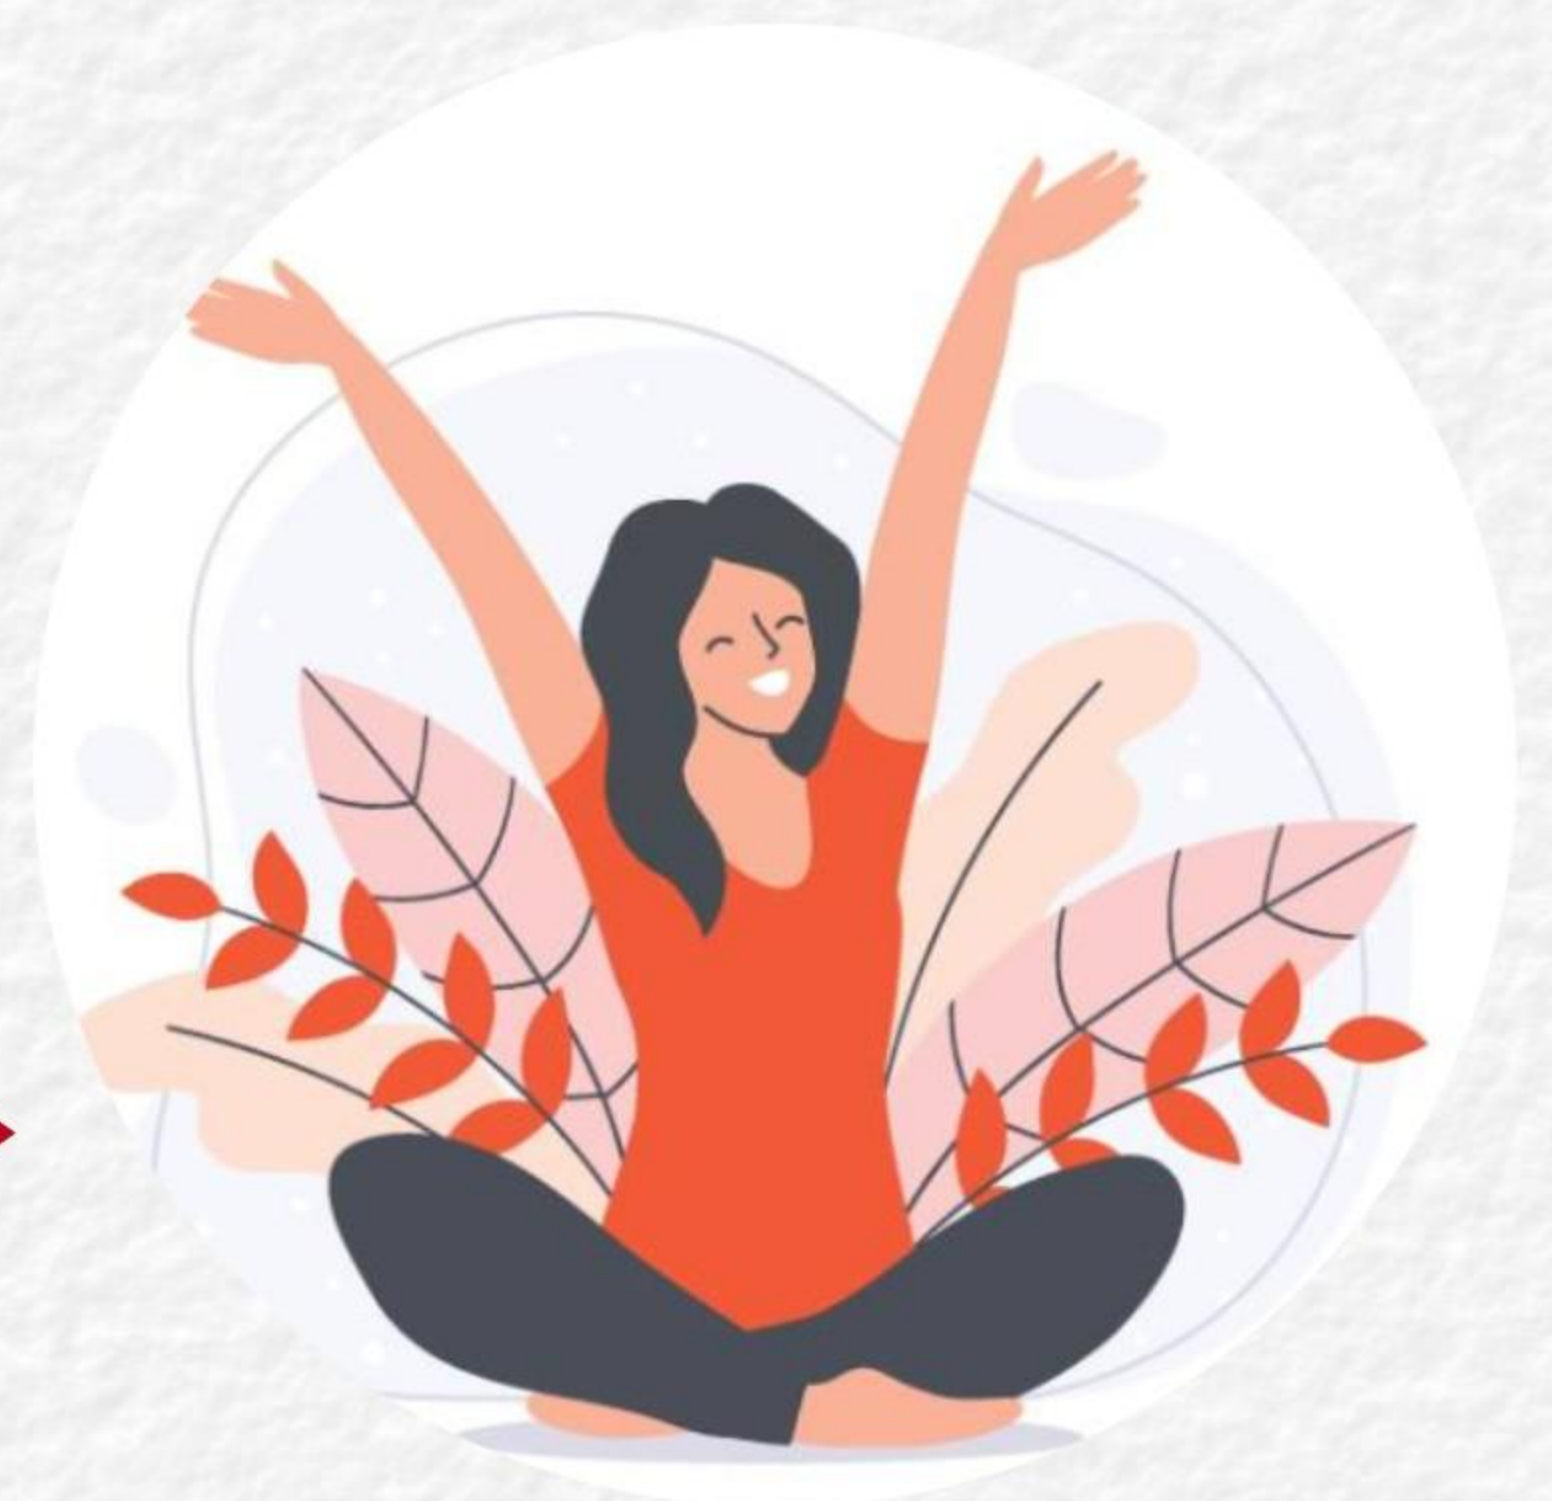

Double Dose \$30

Begin your weight loss journey with 'The Basic', a foundational lipotropic injection. Combining Methionine, Inositol, and Choline, it enhances your body's natural fat-burning process. This simple, yet effective formula supports liver health and fat metabolism, making it an ideal starting point for those new to weight management.

Pure Energy/

Packed with Vitamin B12, it boosts fat metabolism and energizes your body. Essential for healthy nerve and red blood cells, it's perfect for enhancing vitality along your wellness journey.
